## **Update on Facilities Planning**

We will discuss the concept scenarios that are being further researched by the planning team, will collect feedback from the committee to inform the presentation for Monday's Board meeting, and we will discuss the potential need to schedule a special meeting of the Board of Education to make a final decision about facilities plans moving forward.

## **Updates from Other Committees**

We will discuss items from the other committee agendas so that all board members are aware of the topics covered in all meetings prior to the Board meeting Monday evening. The memorandum detail can be found for each of these items on the agendas for the other committee meetings.
