RE: Committee Meeting – Agenda Notes

CITIZEN PARTICIPATION

Review Board Policy 0167.3: Public Participation at Board Meetings

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on District matters.

To permit fair and orderly public expression, the Board shall provide a period for public participation at every regular meeting of the Board and publish rules to govern such participation in Board meetings. The rules shall be administered and enforced by the presiding officer of the meeting.

The presiding officer shall be guided by the following rules:

- A. Public participation shall be permitted as indicated on the order of business, or at the discretion of the presiding officer.
- B. Participants must be recognized by the presiding officer and will be requested to preface their comments by an announcement of their name, address, and group affiliation, if and when appropriate.
- C. Each statement made by a participant shall be limited to three (3) minutes duration.
- D. No participant may speak more than once.
- E. Participants shall direct all comments to the Board and not to staff or other participants.
- F. The presiding officer may:
 1. interrupt, warn, or terminate a participant's statement when the statement is too lengthy, personally directed, abusive, obscene, or irrelevant;
 2. request any individual to leave the meeting when that person does not observe reasonable decorum;
 3. request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the orderly progress of the meeting;
 4. call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action;
 5. waive these rules with the approval of the Board when necessary for the protection of privacy or the administration of the Board's business.
- G. The portion of the meeting during which the participation of the public is invited shall be limited to thirty (30) minutes, but the timeframe will be extended, if necessary, so that no one's right to address the Board will be denied.
- H. Tape or video recordings are permitted. The person operating the recorder should contact the Superintendent prior to the Board meeting to review possible placement of the equipment, and agrees to abide by the following conditions:
 1. No obstructions are created between the Board and the audience.
 2. No interviews are conducted in the meeting room while the Board is in session.
 3. No commentary, adjustment of equipment, or positioning of operators is made that would distract either the Board or members of the audience while the Board is in session.
- I. Each Board agenda will include the following statement, "Public participation shall be permitted only as indicated on the order of business."

DISCUSSION ITEMS

MS/HS Construction Update including Review of Phases

We will review the latest construction updates for OJ, LHS, and Oriole Field.

Kubota UTV

We obtained two quotes for a Kubota to be used for landscaping needs, with the cheapest and recommended one being \$37,594.62.

Furniture Purchase

For the latest phase of construction, the classroom and office furniture needed amounts to \$68,865.82.

Updates from Other Committees

We will review updates from each of the other committees in preparation for the Board meeting on Monday.

Memorandum - Ludington Area Schools

Tyrone Collins
Operations Supervisor

September 6, 2023

Dr. Kyle Corlett:

I have received two updated quotes for a Kubota UTV. One is from Freeman Creek and one from Pells. This machine will be used to help with the grounds maintenance year around. This is a diesel machine that is equipped with a PTO thus meaning we can purchase many different attachments in the future to help in maintaining the district's grounds. Items such as a snow thrower which I have already included in this quote, as well as other things like salt spreaders, sweepers, fertilizer spreader, grass seeder, blower for leaves, backhoe, etc. The machine will have many uses that will serve us for many years to come. Although we currently contract out our snow and ice needs, many times storms come in the middle of the day, and we could certainly clear sidewalks and other areas quicker without needing to rely on a company to come again and also charge us again. I would like to ask for board approval to purchase the Kubota RTV-X1100 from Freeman Creek at the low quote of \$37,594.62. You will see we are receiving a significant discount too with our school pricing.

Respectfully,

Tyrone Collins

Dr. Kyle B. Corlett
Superintendent of Schools
Ludington Area School District
809 E. Tinkham Ave.
Ludington, MI 49431

RE: Ludington Area Schools – Furniture for purchase off Cooperative Bidding Contracts at OJ DeJonge Middle School and Ludington High School.

Dear Dr. Corlett,

In December 2023, OJ DeJonge Middle School and Ludington High School will be receiving new building-wide furnishings in conjunction with the Phase 2 series of work in the building.

It is the recommendation of GMB that the furniture for these buildings are purchased off cooperative bidding contracts, which contain pre-negotiated pricing for public institutions. This allows school districts to legally purchase furniture without preparing a formal bid.

In March, pricing was been solicited for all phases of furniture installation, including 2024 installations. However, certain manufacturers are only able to guarantee pricing for certain periods of time. Therefore, there are two vendors that still need orders to be placed for the Phase 2 installation period.

Page 2 includes an overall estimate of all furniture installation phases, based on current pricing and including an additional percentage for escalation. Pricing for future phases will be validated closer to the installation dates. The recommended award totals for September 2023 are as follows:

Vendor	Installation Phase 1 (August 2023)	Installation Phase 2 (December 2023)	Installation Phase 2A (June 2024)	Installation Phase 3 (August 2024)	Installation Phase 4 (December 2024)	Grand Total:
