CITIZEN PARTICIPATION

Review Board Policy 0167.3: Public Participation at Board Meetings

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on District matters.

To permit fair and orderly public expression, the Board shall provide a period for public participation at every regular meeting of the Board and publish rules to govern such participation in Board meetings. The rules shall be administered and enforced by the presiding officer of the meeting.

The presiding officer shall be guided by the following rules:

- A. Public participation shall be permitted as indicated on the order of business, or at the discretion of the presiding officer.
- B. Participants must be recognized by the presiding officer and will be requested to preface their comments by an announcement of their name, address, and group affiliation, if and when appropriate.
- C. Each statement made by a participant shall be limited to three (3) minutes duration.
- D. No participant may speak more than once.
- E. Participants shall direct all comments to the Board and not to staff or other participants.
- F. The presiding officer may:
 1. interrupt, warn, or terminate a participant's statement when the statement is too lengthy, personally directed, abusive, obscene, or irrelevant;
 2. request any individual to leave the meeting when that person does not observe reasonable decorum;
 3. request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the orderly progress of the meeting;
 4. call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action;
 5. waive these rules with the approval of the Board when necessary for the protection of privacy or the administration of the Board's business.
- G. The portion of the meeting during which the participation of the public is invited shall be limited to thirty (30) minutes, but the timeframe will be extended, if necessary, so that no one's right to address the Board will be denied.
- H. Tape or video recordings are permitted. The person operating the recorder should contact the Superintendent prior to the Board meeting to review possible placement of the equipment, and agrees to abide by the following conditions:
 1. No obstructions are created between the Board and the audience.
 2. No interviews are conducted in the meeting room while the Board is in session.
 3. No commentary, adjustment of equipment, or positioning of operators is made that would distract either the Board or members of the audience while the Board is in session.
- I. Each Board agenda will include the following statement, "Public participation shall be permitted only as indicated on the order of business."

DISCUSSION ITEMS

NEOLA Policy Update Volume 38 Number 1 First Reading

The following policies have been updated to reflect changes in the law to keep our policies up to date.

Policy 1540 - Administrative Staff Reduction/Recalls (New)

This policy has been added to address existing administrative staff reductions/recalls.

Policy 2370.01 - Online/Blended Learning Program (Revised)

This policy has been revised to reflect current online and blended learning rules and requirements, including M.C.L. 388.1621f(14), which allows a district to switch to online learning in certain circumstances for not more than fifteen (15) days. The provision now found at D.2 reflects that M.C.L. 388.1621f(14) specifically permits districts to exempt a fifteen (15) day or less switch from the parental consent requirement.

Policy 7217 - Weapons (Revised)

This policy has been revised to include references to Michigan Supreme Court decisions establishing that schools are not expressly restricted by existing legislature from regulating firearms.

Policy 7540.03 - Student Technology Acceptable Use and Safety (Revised)

This policy has been revised to include optional language addressing artificial intelligence and to include a cross reference to Policy 5500 - Student Conduct.

Policy 8305 - Information Security (Technical Correction)

Technical Correction to include a cross reference to Bylaw 0100 - Definitions.

Policy 8531 - Free and Reduced Price Meals (Revised)

This policy has been revised to address the free meal money allocation statutory policy reference (M.C.L. 388.1630d) that states the district must, to be eligible for the funding, take "all efforts to maximize and implement policies that require parents or guardians to fill out relevant family information..." to determine if they qualify for federal free or reduced cost meal reimbursement.

Social Studies Curriculum Review

We will review the curriculum programs that the high school teachers are currently evaluating.

Updates from Other Committees

We will review updates from each of the other committees in preparation for the Board meeting on Monday.
