## **DISCUSSION ITEMS**

### **Book Review Process**

The superintendent will explain what the process is to review books used in the classroom and the school libraries.

### **Deer Cull Policy Update**

Board policy 7465 states that “Safety and district liability must be considered. Non-school organizations using the properties must provide the association will maintain liability insurance for at least \$1,000,000 per occurrence for its sponsored activities on school premises. Ludington Area Schools will be named as additional insured for these purposes.” Our insurance company has approved of the deer cull taking place based on the protection provided by the USDA. But to protect the district from legal risk of not following this portion of the policy, Thrun has recommended that we suspend this subsection of the board policy.

### **Thrun Law Firm - Review of School Law Notes**

We will review the recent notes from Thrun.

### **Legislative Update**

We will review the legislative update.
