Review of Pro Forma Financial Data and Estimated District Millage Study

We will review pro forma financial data for the District, along with estimated millage study documents that have been developed for discussion and planning purposes.

Next Steps: Facilities Improvement Plan / 21st Century Skills

We have scheduled the opportunity for any member of the Think Tank Committee to visit classrooms within Ludington Area Schools on March 21, 2018. The visits will provide opportunities to see the facilities and different classrooms in action to speak with teachers and students about the learning happening in Ludington. The day will be guided by the principals of each building as well representatives from GMB Architects and Christman Construction to further the discussions about the needs in Ludington Area Schools. The agenda has been sent to the Board by email.

Mason County Promise Zone Authority Board / Fundraising Campaign

The Mason County Board of Commissioners has placed an advertisement, consistent with their policy, to recruit individuals interested in serving on the Mason County Promise Zone Authority Board. Candidates who are interested need to submit a letter of interest to Fabian Knizacky prior to 4:00 PM on April 2, 2018. Nine (9) of the eleven (11) Board seats are to be

appointed by the Board of Commissioners and the other two are appointed by the Speaker of the House and the Senate Majority Leader.

A funding raising campaign has begun with the president of the college and the local superintendents making donations to the "Mason County Promise Fund" at the Community Foundation for Mason County to get the fund started. Individuals seeking to donate to the Promise may do so by credit or debit card on the Community Foundation's website, linked below, or by check or money order to the address below.
