RE: Personnel/Policy Committee Meeting ~ Agenda Notes

Staff Recommendations: Kindergarten and First Grade Numbers

We will discuss class numbers in kindergarten and first grade and discuss possible solutions to reduce class sizes at these grade levels. This may involve the need to add additional paraprofessional support in a couple of classes, and to support very high needs students.

Thrun Law Firm - Review of School Law Notes

The most recent school law notes will be discussed with the committee and we will discuss the information outlined within the school law notes. This will provide the committee with the most recent developments in school law with regard to policy development.
