PTC sent out email asking teachers for feedback for 23-24 school year Scholastic News Magazines. If we order by end of March we will not be billed till September 2023. Mrs. Eisinger will get with each grade level and determine if each grade level will be utilizing this, and if so if digital will work. Cost is 5.99 in print per student, or 5.39 digital per student. SuperSTEM is 7.49 in print per student, and 6.75 in digital per student. Time for Kids was also brought up for a teacher option, this is \$5.50 in print per student or 5.00 digital.

Charlotte Nickelson will place the order by March 30<sup>th</sup> once we get information.

Discussed RAZ kids and renewing for another year. Tabled this as Mrs. Eisinger is going over all apps and subscriptions for most effective use.

In future years we are going to try to have new student and kindergarten shirts available at back to school night.

We are putting out a google form for PTC interest. Help is needed with committees, and also PTC leadership starting with the 23-24 school year as some officers are stepping down from

their positions. Charlotte will create this form and it will be sent out to all parents and also available on our Facebook page.

Bike to School Day-

Katie is going to clarify details for this with all schools interested. We tabled voting on water bottle \$ until we get further information.

Principals report:

Thank you for the PTC provided luncheon during conference with food from Ludington Meat Company, everyone was appreciative.

Culver's Night is 3/7/23 from 5-8pm.

Mrs. Eisinger asked if we were opposed to researching other options for photographers for school pictures and yearbooks. We said we were open to seeing other options.

Mrs. Eisinger asked for feedback about safety and security particularly on K-2 side. Options included doing nothing, adding cones, or a gate. Attendees were in support keeping safety and security at the fore front.
