

WELCOME TO 5TH GRADE

My name is Mrs. Moser and I am pleased to share that I will be your child's homeroom teacher for the 2023-2024 school year.

Your student will have the opportunity to learn with three teachers this year. I will teach English Language Arts, Mrs. Roesler teaches Science & Social Studies, and Mrs. Massie will teach Math.

I grew up and live in Ludington with my husband, Jesse, and 4 kids: Dominic, Saviera, Gillian, & Keldan. I have degrees from Ferris State University and Augustana University and have been an educator for 17 years. In my free time I enjoy being with my family, kayaking, traveling, and reading. I look forward to a year full of adventure and learning.

I use Remind often, please sign up to receive communications about our year.

MEET THE TEACHERS

Mrs Roesler: I am originally from Owosso, Michigan and graduated from Michigan State University - Go State! My husband and I love living in Ludington and enjoying all of the outdoor sports and activities available to us. I also lead yoga in the community. This is my 16th year in education. I am ready to share a year full of memories with your child!

Mrs Massie: This is my 24th year as a teacher. I graduated with degrees from Central Michigan University and Grand Valley State University. I grew up in Ludington and feel blessed to call it my home. I have three children and seven grandchildren. Our family cabin on the shore of Lake Superior is where I love spending time. My hope is to have a great year of growing and learning together.
