Attendance: Jen Vogel, Erin Gutowski, Carol Hubbard, Charlotte Nickelson, Heidi Urka, Katie Eisinger, Barbie Eaton, Stacey Kraft.

- i. President Update:
 - a. 2 mini grant proposals-
 - i. Lisa O'connor, was buying prizes out of her own pocket. Has asked for \$30 for prizes. Rewarding the students with an 'o' buck was also proposed. This would also tie into the PBIS program. We are going to vote on approving her grant, then encourage her to use the o bucks after that.
 - ii. Peggy smith, \$50 for prizes for behavior modification for the kids.
 - iii. Fun walk prizes are available for some of this too. We don't have enough left over to use for the next fun walk in the Spring. Some can also go towards the Little O store.
 - iv. Leftover fun walk prizes will go to the little o store, and grants can go to library and Ms.Peggy.
 - v. Motion to approve: Carol Hubbard, 2nd: Jen Vogel. All in favor... motion passed
 - ii. Fundraisers:
 - a. Another option for a fun walk was brought up by Heidi Urka, where kids get pledges for acts of kindness. This year has been focused on kindness within Franklin so it would tie in. Heidi will look into if the school she had heard this from, makes enough \$ to replace the fun walk. And will also look into how they monitor it.
 - b. We are going to put that idea on the back burner till next year since the fun walk has already been planted with the students.
 - i. We do need to up the anty for this, help with goals to be hit etc. Barbie proposed prizes like we had at Foster (\$200 was swimming with Mr. Dotson at West Shore etc.) Mrs. Eisinger said she would be open to a pizza party, lunches with her, movie experience etc.
 - ii. We want to make less prize levels, and make them more meaningful. Start at \$25.00. Something that the children will get excited about.
 - iii. If we hit a school wide goal, we can add in another Franklin fun day.
 - iv. April 12th for fun walk. We will collect money till May 3rd.
