February 2019

Principal Points

There are many great events in 2019! On February 6th, fourth and fifth graders participated in the Foster Spelling Bee! Fourth grade student, Isla Veeneman was the winner after many tough rounds against fellow fourth grade student, Kennedi Christofferson. The top two fifth grade contestants, Mya Hindman and Kaniya Owen, will move on to the regional spelling bee on February 19th! Third grade has their snowshoeing field trips to the state park scheduled (cross your fingers for good weather) in February and Parent-Teacher Conferences are at the end of the month. It's an exciting time of year at Foster Elementary School. To get a full list of events and happenings go to the Foster School webpage located at www.lasd.net.

I've noticed an increase of students playing on the playground after school without adult supervision. Just a reminder, if parents are going to allow their child to stay after school to play on the playground, parents are responsible for monitoring their child during this time. Walkers are to walk home immediately. Thank you for your understanding and following this guideline to maintain safety for all.
