Bond Project Update

- Request for Proposal and Pricing - Land Survey: GMB issued a request for proposal and is seeking competitive pricing for the land survey work that will need to be done at all of our properties before we are able to move forward. The RFP and supporting documents will be shared with the committee. The RFP requested that survey companies interested in the work submit pricing for the survey work to GMB by the close of the week.
- Kick-off meeting with GMB, Christman, and CBD: A kick-off meeting has been scheduled at 1:30 p.m. on June 25, 2019 to roll out the process that will be used to begin the design phase of the project. This meeting will be used to define the next steps of the project.

Updates from Other Committees

We will review updates from each of the other committees in preparation for the Board meeting on June 24, 2019.
