

WE ARE PROUD OF OUR STUDENTS' ACADEMIC SUCCESS!

MEAP / MME Scores

The Michigan Educational Assessment Program test is administered in 3rd through 9th grades. The Michigan Merit Examination is administered in 11th grade. Reading and Writing scores are combined to create an ELA (English Language Arts) score. ELA and Math scores are used by the State of Michigan to assess the district's Adequate Yearly Progress toward state objectives.

This chart is a comparison of **Ludington 2010-11** / State 2010-11 / AYP Target scores. Our goal is to have higher scores than the State of Michigan average, and to meet or exceed the AYP target scores. Scores in bold text exceed the state averages. More information regarding test results can be found on our website at www.lasd.net.
