

Introducing BusQuest

We know that better communication can provide better transportation solutions for school districts, students, and families. To help you better support your school community, we're excited to share the launch of our new parent app - **BusQuest** for parents and guardians! Parents and guardians can download BusQuest on the Apple App Store or Google Play to their smartphones.

Please ask the parent to download BusQuest to their smartphone by search BusQuest in the Apple App Store or Google Play. They should see the following icon:

Once downloaded, parents can sign in if they already have an account for the parent portal. If not, parents can create a parent account:

WELCOME

Email

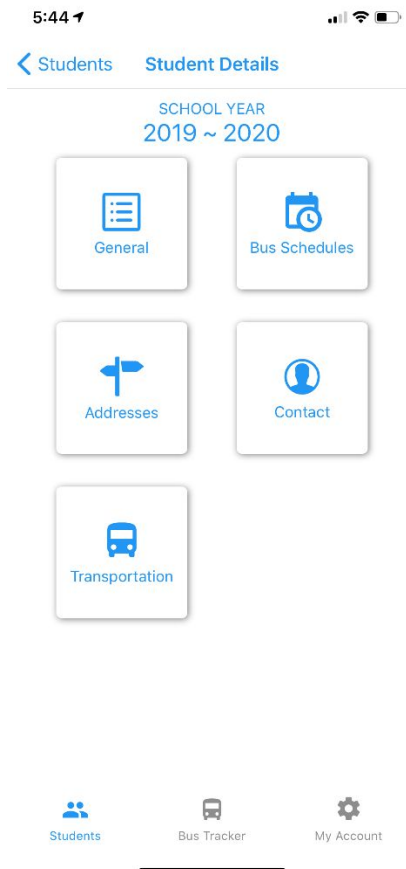

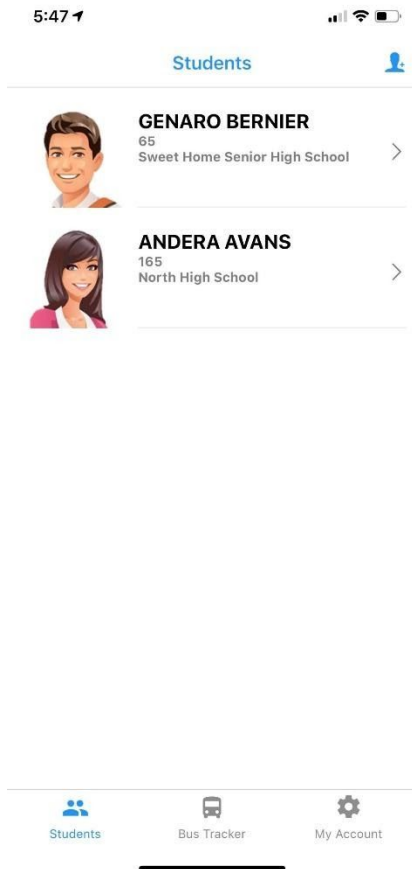

Enter your mobile phone number

Send Verification Code

Enter the 6-digit code below

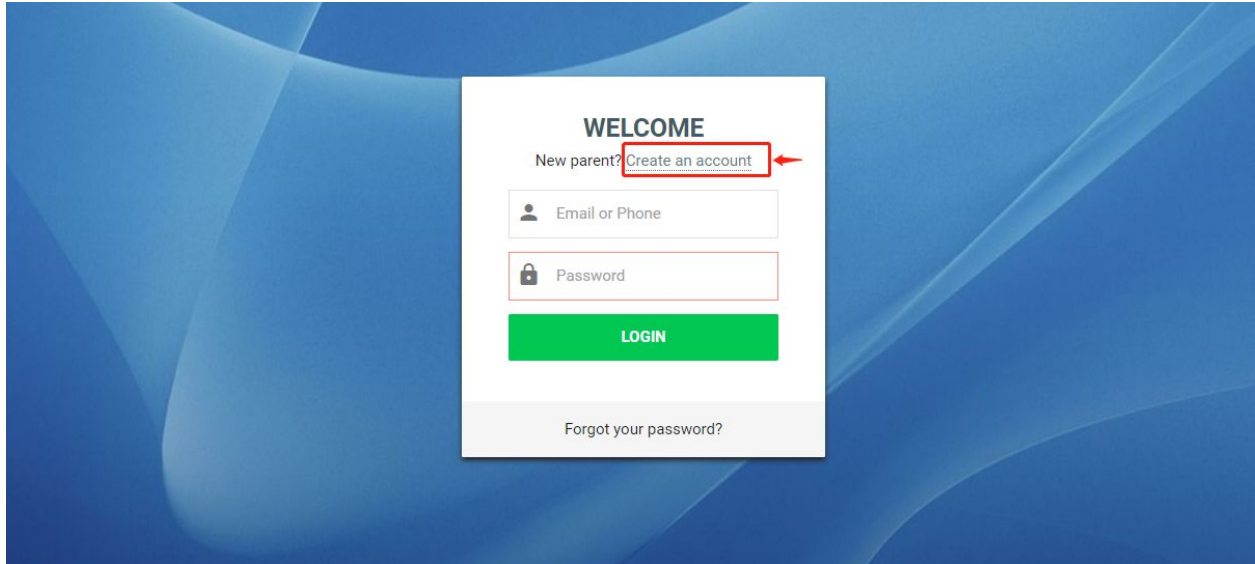

Verify

If parents registered using the cellphone number or the email of the student's primary contact. Student/s will be automatically added to the parent account. Parents can also submit new students using BusQuest.

BusQuest allows for submitting changes to contact information and addresses, transportation change requests, and view responses and feedback to requests from school administrators! The app also allows your users to track bus routes and receive any notification sent from administration.

For parents without a smartphone, they can also register on your routing site as a parent. Please send parents the URL of your routing site.

We hope this new application improves your ability to serve your students and your community!
