2A Families,

Thank you for your patience and flexibility as we continue learning to navigate online learning together. Never having done this before, there have certainly been roadblocks that the district didn't anticipate. Know that we are continuously working hard to make this the best experience possible for your family, so thank you for working with us!

We have hired an additional teacher to help us with the Edmentum/Calvert Learning system. With this change, we've developed this "cheat sheet" to introduce you to our new teacher and inform you of the teachers' roles.

We welcome Mrs. Danielle Rittner!

My name is Danielle Rittner and I am very excited to be joining Ludington Area School District as a Remote Learning Instructor. I grew up in Lansing, Michigan and after a couple of years living in California, I moved back to Michigan and settled in Grand Rapids. I have been married to my husband Jeremy for 12 years and we have three children: Jackson, Harper, and Bennett. I love the outdoors, running, and reading. My favorite foods are pizza and Moose Tracks ice cream. I am very excited to be a part of the Orioles family.
