Mrs. Laura Holmes

Welcome to 3rd Grade!

I am pleased to welcome you to the 2023-2024 school year! I am looking forward to having your child as a student. Third grade is such a fun year with so many wonderful learning activities to celebrate. In order to have a fun year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.

Our back to school night is Wed, Aug 30 from 5:30 - 7:30.

I look forward to meeting each of you!
