

Welcome to 2nd Grade! My name is Mrs. Kraft and I will be your teacher this year. I am so excited to get started. It will be a very different year where we will be learning a lot of things together. I hope you are as excited as I am.

I wanted to take this time to tell you a little bit about myself. I graduated from Aquinas College and have been teaching in Ludington for 14 years. Second Grade is definitely my favorite grade to teach. You will find that I love teaching math the most, but I also love doing different projects to help you learn and grow while having fun! I have been married to my husband Rick for 26 years and we have 2 children, Shelby and RJ. As a family we love to watch sports and go camping. I am a huge sports fan. I love Michigan State, the Detroit Tigers and the Detroit Red Wings.

I want you to know from the beginning that we are going to be learning together. I will have questions for you and I want you to feel comfortable coming and talking to me about things that are on your mind. I see my class as a team and we will be working throughout the year as a team.

Please tell your parents that they can contact me at any time through my email address, [skraft@lasd.net](mailto:skraft@lasd.net). I can't wait to see you all in September.

Our back to school night will be Wednesday, August 28th. Hope to see you there.

Mrs. Kraft
