About Me

I've lived many places in Michigan, but I love living in Ludington! I've lived here for the past 4 years with my 2 daughters, Savannah & Cassidy, and our cat, Pebbles. I've been in education for 12 years, including: subbing, university teaching assistant, homeschooling, online ESL, and a K-2 Reading Aide at LES last year. But, this is my first year teaching 3rd Grade. I'm so excited it's with you in my class!

We'll learn a lot together!
