

**2024 Childhood Cancer Campaign
Will Flewelling Memorial Scholarship**

Will Flewelling (LHS Class of 2019) died of metastatic melanoma at the age of 20 in 2021 after distinguishing himself academically and athletically at Ludington High School, particularly on the LHS Varsity Soccer Team (#13).

The Childhood Cancer Campaign Will Flewelling Memorial Scholarship is offering a \$1,000 scholarship to a graduating LHS senior. Any senior interested in applying for this opportunity must write a sincere letter to a childhood cancer patient offering hope and encouragement. All letters will be read by a selection committee designated by the Flewelling family and the author of the selected letter will be awarded the \$1,000 scholarship. All entries will be distributed to childhood cancer patients.

Please include your name, address, and your personal email in your submission, but separate from your letter. You can sign your letter with your name, but should not include any other personal information.

To be considered for the scholarship, ALL submissions must be postmarked no later than May 1 and sent to:

Mr. & Mrs. Flewelling
6060 N. Peterson Rd.
Ludington, MI 49431
