

**DR. JENNIFER L. BRANNING SCHOLARSHIP**

Donor will, at the discretion of the donor, award annually a scholarship of \$500.00 to a college bound senior who is planning a career in a math/science related field and plans to attend a four year college. This is a one-time scholarship and will be based on a student's academic performance, involvement in school activities, and potential for success in the chosen field. This scholarship is not based on need. Preference may be given to a student planning a career in a health care field but it is not a requirement.
